2016 MANUAL OF PROCEDURE

The purpose of the Manual of Procedure is to provide Rotary leaders with the Rotary policies that are most relevant to their service. The manual is published every three years after the Council on Legislation. A copy is provided to each Rotary club and Rotary officer. If any questions arise about the meaning or interpretation of the manual, including the RI Constitution and other governance documents, the English-language version of these materials is the official text.

The manual contains the following governance documents:

- RI Constitution
- RI Bylaws
- Standard Rotary Club Constitution
- Recommended Rotary Club Bylaws
- Bylaws of The Rotary Foundation of Rotary International

Rotarians can also find policies and procedures in the [Rotary Code of Policies](#) and [The Rotary Foundation Code of Policies](#) on the Rotary website. These documents are revised after each Board and Trustee meeting. In addition, a supplemental Resource Guide is available on the Governance Documents page of the Rotary website. This guide provides a list of additional resources and reference materials that Rotarians will find helpful in leading their clubs and districts.

For assistance with policy questions, please contact your Club and District Support representative (www.rotary.org/cds).

PART ONE

CARRYING OUT
ROTARY'S MISSION

1 GUIDING PRINCIPLES

Rotary's 100-year track record of professionals joining together to use their skills and passion to make a difference in their communities is one that fosters pride in Rotarians worldwide. In addition to our governance documents, Rotary clubs and districts should be familiar with Rotary's guiding principles and values statements in order to carry out Rotary's mission and understand our history of commitment to professionalism and service. The following is a selection of values statements and principles that Rotarians and Rotary clubs use to inspire their involvement and engagement in Rotary. In addition, a supplemental Resource Guide is available on the [Governance Documents](#) page of the Rotary website. This guide provides a list of additional resources and reference materials.

1923 STATEMENT ON COMMUNITY SERVICE

The following statement was adopted at the 1923 convention and amended at subsequent conventions. It is included in the Manual of Procedure because of its historical value. (RCP 8.040.2.)

In Rotary, Community Service is to encourage and foster the application of the ideal of service in each Rotarian's personal, business, and community life.

In carrying out this application of the ideal of service many clubs have developed various community service activities as affording opportunities for service by their members. For the guidance of Rotarians and Rotary clubs and to formulate a policy for Rotary toward community service activities, the following principles are recognized and accepted as sound and controlling:

- 1) Fundamentally, Rotary is a philosophy of life that undertakes to reconcile the ever present conflict between the desire to profit for one's self and the duty and consequent impulse to serve others. This philosophy is the philosophy of service — "Service Above Self" and is based on the practical ethical principle that "He Profits Most Who Serves Best."*
- 2) Primarily, a Rotary club is a group of representative business and professional people who have accepted the Rotary philosophy of service and are seeking: First, to study collectively the theory of service as the true basis of success and happiness in business and in life; and second, to give, collectively, practical demonstrations of it to themselves and their community; and third, each as an individual, to translate its theory into practice in business and in everyday life; and fourth, individually and collectively, by active precept and example, to stimulate its acceptance both in theory and practice by all non-Rotarians as well as by all Rotarians.
- 3) RI is an organization that exists
 - a) for the protection, development, and worldwide propagation of the Rotary ideal of service;
 - b) for the establishment, encouragement, assistance, and administrative supervision of Rotary clubs;
 - c) as a clearing house for the study of their problems and, by helpful sugges-

tion but not compulsion, for the standardization of their practices and of such community service activities, and only such community service activities, as have already been widely demonstrated by many clubs as worthwhile and as are within, and will not tend to obscure, the Object of Rotary as set out in the RI constitution.

- 4) Because they who serve must act, Rotary is not merely a state of mind, nor Rotary philosophy merely subjective, but must translate itself into objective activity; and the individual Rotarian and the Rotary club must put the theory of service into practice. Accordingly, corporate action by Rotary clubs is recommended under the safeguards provided herein. It is desirable that every Rotary club sponsor a major community service activity each fiscal year, varied from year to year if possible, and to be completed if possible before the end of the fiscal year. This activity is to be based upon a real community need and should require the collective cooperation of all its members. This is to be in addition to the club's continuing its program for the stimulation of the club members to individual service within the community.
- 5) Each individual Rotary club has absolute autonomy in the selection of such community service activities as appeal to it and as are suited to its community; but no club should allow any community service activity to obscure the Object of Rotary or jeopardize the primary purpose for which a Rotary club is organized; and RI, although it may study, standardize, and develop such activities as are general and make helpful suggestions regarding them, should never prescribe nor proscribe any community service activity for any club.
- 6) Although regulations are not prescribed for an individual Rotary club in the selection of community service activities, the following rules are suggested for its guidance:
 - a) Because of the limited membership of Rotary, only in a community where there is no adequate civic or other organization in a position to speak and act for the whole community should a Rotary club engage in a general community service activity that requires for its success the active support of the entire citizenship of the community, and, where a chamber of commerce exists, a Rotary club should not trespass upon nor assume its functions, but Rotarians, as individuals committed to and trained in the principle of service, should be members of and active in their chambers of commerce and as citizens of their community should, along with all other good citizens, be interested in every general community service activity, and, as far as their abilities permit, do their part in money and service;
 - b) As a general thing, no Rotary club should endorse any project, no matter how meritorious, unless the club is prepared and willing to assume all or part of the responsibility for the accomplishment of that which it endorses;
 - c) While publicity should not be the primary goal of a Rotary club in selecting an activity, as a means of extending Rotary's influence, proper publicity should be given to a worthwhile club project well carried out;
 - d) A Rotary club should avoid duplication of effort and in general should not engage in an activity that is already being well handled by some other agency;
 - e) A Rotary club in its activities should preferably cooperate with existing agencies, but where necessary may create new agencies where the facilities of the existing agencies are insufficient to accomplish its purpose. It is better for a Rotary club to improve an existing agency than to create a new and duplicative agency;

- f) In all its activities a Rotary club acts best and is most successful as a propagandist. A Rotary club discovers a need but, where the responsibility is that of the entire community, does not seek alone to remedy it but to awaken others to the necessity of the remedy, seeking to arouse the community to its responsibility so that this responsibility may be placed not on Rotary alone but on the entire community where it belongs; and while Rotary may initiate and lead in the work, it should endeavor to secure the cooperation of all other organizations that ought to be interested and should seek to give them full credit, even minimizing the credit to which the Rotary club itself is entitled;
- g) Activities which enlist the individual efforts of all Rotarians generally are more in accord with the genius of Rotary than those requiring only the mass action of the club, because the community service activities of the Rotary club should be regarded only as laboratory experiments designed to train members of a Rotary Club in service. (RCP 8.040.1., 23-34, 26-6, 36-15, 51-9, 66-49)

STATEMENT ON COMMUNITY SERVICE

The 1992 Council on Legislation adopted the following statement on community service.

Rotary Community Service encourages and fosters the application of the ideal of service to the personal, business, and community life of every Rotarian.

In carrying out this application of the ideal of service, a variety of activities developed by Rotary clubs have afforded significant opportunities for service by their members. For the guidance of Rotarians and to formulate a policy for Rotary toward community service activities, the following principles are recognized:

Community Service is an opportunity for every Rotarian to exemplify "Service Above Self." It is the commitment and social responsibility of every Rotarian and Rotary club to improve the quality of life for those who live in the community and to serve the public interest.

In this spirit, clubs are encouraged to:

- 1) review regularly service opportunities within their communities and involve each club member in an assessment of community needs;
- 2) capitalize on the unique vocational and avocational talents of members in implementing their community service projects;
- 3) initiate projects in accordance with the needs of the community and commensurate with the club's standing and potential in the community, recognizing that every community service activity, however small, is important;
- 4) work closely with the Interact clubs, Rotaract clubs, and Rotary Community Corps and other groups which they sponsor, in order to coordinate community service efforts;
- 5) identify opportunities to enhance community service projects through Rotary programs and activities at the international level;
- 6) involve the community, when desirable and feasible, in implementing community service projects, including the provision of required resources;
- 7) cooperate with other organizations in accordance with RI policy to achieve community service objectives;
- 8) achieve proper public recognition for their community service projects;
- 9) act as catalysts to encourage other organizations to work together in community service efforts;

- 10) transfer responsibility for continuing projects, when appropriate, to community, service, or other organizations, so that the Rotary club can become involved in new projects.

As an association of clubs, RI has the responsibility to communicate news of community service needs and activities, and from time to time suggest programs or projects which advance the Object of Rotary and which would benefit from the concerted efforts of Rotarians, clubs, and districts who wish to participate. (92-286)

CORE VALUES

Rotary adopted the core values in 2007 as part of the Rotary Strategic Plan, understanding that these five values are fundamental traits of being a Rotarian. Since their adoption, the core values have been reaffirmed by the Board and are strongly supported by Rotarians throughout the world. (RCP 26.010.2.) Rotary International's core values are:

- Fellowship
- Integrity
- Diversity
- Service
- Leadership

More information on the core values can be found on the Rotary [website](#).

THE FOUR-WAY TEST

Of the things we think, say or do:

- 1) Is it the TRUTH?
- 2) Is it FAIR to all concerned?
- 3) Will it build GOODWILL and BETTER FRIENDSHIPS?
- 4) Will it be BENEFICIAL to all concerned?

The Four-Way Test was created in 1932 by Rotarian Herbert J. Taylor, who later became president of Rotary International. (RCP 33.070.)*

OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- First.* The development of acquaintance as an opportunity for service;
- Second.* High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- Third.* The application of the ideal of service in each Rotarian's personal, business, and community life;
- Fourth.* The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service. (RIC 4; SRCC 5)

* Reproduction and Use

The sole purpose of any reproduction or use of The Four-Way Test should be to develop and maintain high ethical standards in human relations. The test should not be reproduced in any advertisement intended to increase sales or profits. It may, however, be used on the letterhead or in the literature of a firm, organization, or institution to convey its sincere attempt to conduct itself along the lines of The Four-Way Test. All reproductions of The Four-Way Test should be in the form shown above.

FIVE AVENUES OF SERVICE

Rotary's Five Avenues of Service are the philosophical and practical framework for the work of this Rotary club.

1. Club Service, the first Avenue of Service, involves action a member should take within this club to help it function successfully.
2. Vocational Service, the second Avenue of Service, has the purpose of promoting high ethical standards in businesses and professions, recognizing the worthiness of all dignified occupations, and fostering the ideal of service in the pursuit of all vocations. The role of members includes conducting themselves and their businesses in accordance with Rotary's principles and lending their vocational skills to club-developed projects in order to address the issues and needs of society.
3. Community Service, the third Avenue of Service, comprises varied efforts that members make, sometimes in conjunction with others, to improve the quality of life of those who live within this club's locality or municipality.
4. International Service, the fourth Avenue of Service, comprises those activities that members do to advance international understanding, goodwill, and peace by fostering acquaintance with people of other countries, their cultures, customs, accomplishments, aspirations, and problems, through reading and correspondence and through cooperation in all club activities and projects designed to help people in other lands.
5. Youth Service, the fifth Avenue of Service, recognizes the positive change implemented by youth and young adults through leadership development activities, involvement in community and international service projects, and exchange programs that enrich and foster world peace and cultural understanding. (SRCC 6)

PURPOSES OF A ROTARY CLUB

The purposes of this club are to pursue the Object of Rotary, carry out successful service projects based on the Five Avenues of Service, contribute to the advancement of Rotary by strengthening membership, support The Rotary Foundation, and develop leaders beyond the club level. (SRCC 3)

STATEMENT OF CONDUCT FOR WORKING WITH YOUTH

Rotary International strives to create and maintain a safe environment for all youth who participate in Rotary activities. To the best of their ability, Rotarians, Rotarians' spouses and partners, and other volunteers must safeguard the children and young people they come into contact with and protect them from physical, sexual, and emotional abuse. (RCP 2.100.1)

2. Club: A Rotary club.
3. Member: A member, other than an honorary member, of a Rotary club.
4. Year: The twelve-month period which begins on the first day of July.
5. RI: Rotary International.
6. Governor: A governor of a Rotary district.

Article 2 Name and Description

The name of this organization shall be Rotary International. RI is the association of clubs throughout the world.

Article 3 Purposes

The purposes of RI are:

- (a) To support the clubs and districts of RI in their pursuit of programs and activities that promote the Object of Rotary;
- (b) To encourage, promote, extend, and supervise Rotary throughout the world;
- (c) To coordinate and generally direct the activities of RI.

Article 4 Object

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- First.* The development of acquaintance as an opportunity for service;
- Second.* High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- Third.* The application of the ideal of service in each Rotarian's personal, business, and community life;
- Fourth.* The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

Article 5 Membership

Section 1 — *How Constituted.* The membership of RI shall consist of clubs which continue to perform the obligations as set forth in this constitution and the bylaws.

Section 2 — Composition of Clubs.

- (a) A club shall be composed of adult persons who demonstrate good character, integrity, and leadership; possess good reputation within their business, profession, and/or community; and are willing to serve in their community and/or around the world

and

having their place of business or residence located in the locality of the club or the surrounding area. A member moving from the locality of the club or the surrounding area may retain membership in the club where the member's board grants such permission and said member continues to meet all conditions of club membership.

- (b) Each club shall have a well-balanced membership in which no one business, profession or type of community service predominates. The club shall not elect a person to active membership from a classification if the club already has five or more members from that classification, unless the club has more than 50 members, in which case the club may elect a person to active membership in a classification so long as it will not result in the classification making up more than 10 percent of the club's active membership. Members who are retired shall not be included in the total number of members in a classification. The classification of a transferring or former member of a club, or a Rotaractor or Rotary alumnus as defined by the board, shall not preclude election to active membership even if the election results in club membership temporarily exceeding the above limitations. If a member changes classification, the club may continue the member's membership under the new classification notwithstanding these limitations.
- (c) The bylaws of RI may provide for active membership and honorary membership in clubs and shall prescribe the qualifications for each.
- (d) In countries where the word "club" has an inappropriate connotation, Rotary clubs, with the approval of the board, will not be obliged to use it in their names.

Section 3 — Ratification of Constitution and Bylaws. Every club granted a certificate of membership in RI and accepting the same thereby accepts, ratifies, and agrees to be bound in all things, not contrary to law, by this constitution and the bylaws of RI, and amendments thereto, and to faithfully observe the provisions thereof.

Section 4 — Exceptions. Notwithstanding any other provision of this constitution or of the bylaws of RI or the standard club constitution, the board, as a pilot project, may admit into membership or permit the reorganization of up to 1,000 clubs with provisions in their constitutions not in accordance with this constitution and bylaws of RI. Such pilot project may extend for a period not exceeding six years. The board shall report to the next convention as to the special conditions under which expenditures have been made from the surplus. Article 13 Nominations and Elections for Directors

13.010. Nominations for Directors by Zones.

13.020. Selection of Director-nominee and Alternate by Nominating Committee Procedure.

13.030. Ballot-by-Mail Procedure.

13.040. Nominations for Officers of RIBI.

13.010. *Nominations for Directors by Zones.*

Nominations for directors shall be by zones, as hereinafter provided:

13.010.1. *Number of Zones.*

The world shall be divided into 34 zones that are approximately equal in number of Rotarians.

13.010.2. *Schedule of Nominations.*

Each such zone shall nominate a director from the membership of the clubs in that zone every fourth year according to a schedule established by the board.

13.010.3. *Zone Boundaries.*

The initial boundaries of the zones shall be approved by resolution of the council.

13.010.4. *Periodic Review of Zone Boundaries.*

The board shall undertake, no less often than every eight years, a comprehensive review of the composition of the zones to maintain an approximately equal number of Rotarians in each zone. The board may also undertake, as necessary, interim reviews for the same purpose.

13.010.5. *Realignment of Zones.*

Any new alignments can be made by the board.

13.010.6. *Sections Within Zones.*

The board may create, modify, or eliminate sections in zones in order to rotate in a fair manner the directorship within a zone. These sections shall nominate RI directors on a schedule determined by the board that is based on an approximate equality of number of Rotarians. Except for zones that include clubs in RIBI, no such section shall be created, modified, or eliminated over the objection of a majority of the clubs in the zone.

13.010.7. *Director from Zone in RIBI.*

The director from a zone or section of a zone wholly within RIBI shall be nominated by the clubs of that zone or section of a zone by a ballot-by-mail in such form and at such time as the general council of RIBI shall determine. The name of such nominee shall be certified to the general secretary by the secretary of RIBI.

13.020. *Selection of Director-nominee and Alternate by Nominating Committee Procedure.*

13.020.1. *General Provisions of Nominating Committee Procedure.*

Directors-nominee and alternates shall be selected by the nominating committee procedure except in zones and sections of zones wholly within RIBI. Nominating committees shall be constituted from the entire zone, except for zones that include both districts within RIBI and districts not within RIBI, notwithstanding any bylaw provisions or informal understandings which may limit the area within the zone from which the candidate may be nominated. However, where there are two or more sections in a zone, the committee shall be selected from only those districts in the section(s) from which the director is to be nominated unless a majority of all districts in the zone, by resolutions adopted at their respective district conferences, agree to the selection from the zone.

For such agreement to be effective for the selection of a nominating committee, it must be certified to the general secretary by the district governor by 1 March in the year preceding such selection. Such agreement shall be void if the districts comprising the zone are changed, but shall otherwise remain in effect unless rescinded by a majority of districts of the zone by resolution adopted at their conferences and such rescission is certified to the general secretary by the district governors.

13.020.2. *Nominating Committee Procedure for Zones with Section(s) within RIBI and Section(s) not within RIBI.*

In a zone that has a section wholly within RIBI and a section not within RIBI, directors-nominee and alternates shall be selected by the nominating committee procedure in the section that is not within RIBI. The nominating committee for the section not within RIBI shall be selected from that section.

13.020.3. *Membership on Nominating Committee.*

A nominating committee shall consist of one member from each district in the zone or section elected by the clubs of such district as hereinafter provided. Each member shall be a past governor at the time of election, who is a member of a club in the relevant zone or section. Such members also shall have attended at least two

Rotary institutes of the zone from which the director is being nominated and one convention in the three years prior to serving on the committee, provided that a district may by a resolution adopted at a district conference by a majority of the votes of the electors of the clubs present and voting dispense with some or all of these requirements, such resolution to apply only to the next nominating committee. Members shall be elected for a term of one year. The president, president-elect, any past president, director, or any past director shall not be eligible for membership on the nominating committee. No Rotarian who has served twice as a member of such a committee shall be eligible for service again. Each member shall have one vote.

13.020.4. *Election.*

Except as provided in subsections 13.020.9. and 13.020.10., the member and the alternate member of the nominating committee shall be elected at the annual conference of the district in the year preceding the scheduled nomination.

13.020.5. *Nominations.*

Any club in a district may nominate a qualified member of the club for membership on the nominating committee where such member has indicated a willingness and ability to serve. The club shall certify such nomination in writing. Such certification must include the signatures of the club president and secretary. Such nomination shall be forwarded to the governor for presentation to the electors of the clubs at the district conference. Each club shall designate one elector to cast all of its votes. All votes from a club with more than one vote shall be cast for the same candidate. For votes requiring or utilizing a single transferable ballot with three or more candidates, all votes from a club with more than one vote shall be cast for the same-ordered choices of candidates.

13.020.6. *Members and Alternates.*

The candidate receiving a majority of the votes cast shall be the member of the nominating committee. The candidate receiving the second highest number of votes shall be declared the alternate member, to serve only in the event the member is unable to serve.

13.020.7. *Candidate Declared as a Member of the Nominating Committee.*

No ballot shall be required where there is only one nominee in a district. In such cases, the governor shall declare such nominee the member of the nominating committee.

13.020.8. *Member and Alternate Member Unable to Serve.*

Where neither the member nor the alternate member is able to serve, the governor may designate some other duly qualified member of a club in the district to be the member of the nominating committee.

13.020.9. *Election of Member of the Nominating Committee Through Ballot-by-Mail.*

In certain circumstances, the board may authorize a district to select the member of the nominating committee and the alternate member of the nominating committee in a ballot-by-mail. In such cases, the governor shall prepare and cause to be mailed to the secretary of every club in the district an official call for nominations

for member. All nominations must be made in writing and signed by the president and the secretary of the club. The nominations must be received by the governor on or before a date to be fixed by the governor. The governor shall cause to be prepared and mailed to each club a ballot naming in alphabetical order the qualified nominees so offered and shall conduct the ballot-by-mail. Those candidates whose written requests for exclusion from the ballot are received no later than the date fixed by the governor shall be excluded from such ballot. Each club shall be entitled to at least one vote. Any club with a membership of more than 25 shall be entitled to one additional vote for each additional 25, or major fraction thereof, of its members. Such membership shall be determined by the number of members in the club as of the date of the most recent club invoice preceding the date on which the vote is to be held. However, any club whose membership in RI has been suspended by the board shall not be entitled to participate in the voting. The governor may appoint a committee for the purpose of conducting the ballot-by-mail procedure as provided herein.

13.020.10. *Election Through Ballot-by-Mail.*

A majority vote of electors present and voting at a district conference may vote to have the selection of the member and the alternate member pursuant to a ballot-by-mail. The ballot-by-mail shall be conducted in accordance with the provisions set forth in subsection 13.020.9. and shall be concluded no later than 15 May of the appropriate year.

13.020.11. *Report of Member to the General Secretary.*

The names of the member and the alternate member of the nominating committee shall be reported by the governor to the general secretary immediately following their selection, but in no case later than 1 June of the appropriate year.

13.020.12. *Contingency Not Provided For in Section 13.020.*

The board shall determine the procedure to be followed for any contingency that arises regarding the determination of balloting which has not been provided for in the foregoing provisions of this section.

13.020.13. *Designation of Convener, Time and Place of Meeting, Election of Chair.*

The board shall designate a convener from the members of the nominating committee no later than 15 June in the year preceding the year in which a director and alternate are to be nominated. The suggestions shall be submitted to the nominating committee on a form prescribed by the board. The form shall include background information regarding the suggested candidate's Rotary and other activities and a recent photograph of the suggested candi-

The chair of the nominating committee shall vote for nominees for director and alternate; however, the chair of the nominating committee shall not have a vote in the transaction of the committee's other business, except that the chair may vote to break a tie vote.

13.020.16. *Committee Inability to Select Nominee.*

Where a nominating committee adjourns and no candidate for director-nominee receives the votes of a 60 percent majority of the nominating committee, the director-nominee shall be selected in a ballot-by-mail. Such ballot-by-mail shall be based on the ballot-by-mail procedure set forth in section 13.030. and include all suggested names for director considered by the committee.

13.020.17. *Committee Nominations.*

The nomination of a director and alternate by the committee shall be made from among members of clubs in the zone or section of the zone whose names have been suggested by clubs. Where there are fewer than three such suggested names, the committee may also consider other qualified Rotarians in that zone or section for selection. The committee is responsible for nominating the most capable persons available.

13.020.18. *Report of Selection of Committee.*

The committee's nomination for the office of director and alternate from the zone shall be filed with the general secretary within ten days following the adjournment of its meeting. Such concurrence shall be obtained at a conference or through a ballot-by-mail. The concurrence must be certified to the general secretary by the district's governor. The resolution must be accompanied by a written statement

13.020.21. *Declaration of Director-nominee, Selection in Ballot-by-Mail.*

Where the general secretary fails to receive the prescribed concurrences by 1 December, the president shall declare the nominee of the nominating committee to be the director-nominee from the zone. Such announcement shall take place no later than 15 December. Where the general secretary receives the prescribed proposal and concurrences by 1 December, selection of a director from among the challenging candidates and the nominee of the nominating committee shall be made in a ballot-by-mail in accordance with section 13.030.

All sealed envelopes containing the ballots from each club shall be opened in the presence of the candidates or their representatives.

Section 1 — Regular Meetings.

[See article 7 for exceptions to the provisions of this section.]

- (a) *Day and Time.* This club shall hold a regular meeting once each week on the day and at the time provided in the bylaws. Attendance may be in person, through an online meeting, or using an online connection for members whose attendance otherwise would be precluded. Alternatively, a club shall hold a meeting once each week or during the week(s) chosen in advance by posting

an interactive activity on the club’s website. The latter type of meeting shall be considered as held on the day that the interactive activity is to be posted on the website.

- (b) *Change of Meeting.* For good cause, the board may change a regular meeting to any day during the period commencing with the day following the preceding regular meeting and ending with the day preceding the next regular meeting, or to a different hour of the regular day, or to a different place.
- (c) *Cancellation.* The board may cancel a regular meeting if it falls on a legal holiday, including a commonly recognized holiday, or during the week which includes a legal holiday, including a commonly recognized holiday, or in case of the death of a club member, or of an epidemic or of a disaster affecting the whole community, or of an armed conflict in the community which endangers the lives of the club members. The board may cancel not more than four regular meetings in a year for causes not otherwise specified herein provided that this club does not fail to meet for more than three consecutive meetings.
- (d) *Satellite Club Meeting (When Applicable).* If provided in the bylaws, a satellite club shall hold regular weekly meetings at a place and at a time and day decided by its members. The day, time and place of the meeting may be changed in a similar way to that provided for the club’s regular meetings in section 1(b) of this article. A satellite club meeting may be cancelled for any of the reasons enumerated in section 1(c) of this article. Voting procedures shall be as provided in the bylaws.

Section 2 — Annual Meeting.

- (a) An annual meeting for the election of officers shall be held not later than 31 December as provided in the bylaws.
- (b) A satellite club (when applicable) shall hold an annual meeting of its members before 31 December to elect officers for the general governance of the satellite club.

Section 3 — Board Meetings. Written minutes should be provided for all board meetings. Such minutes should be available to all members within 60 days of said meeting.

Article 9 Exceptions to Provisions on Membership

The bylaws may include rules or requirements not in accordance with article 10, sections 2 and 4-8 of this constitution. Such rules or requirements shall supersede the rules or requirements of these sections of this constitution.

Article 10 Membership

[See article 9 for exceptions to sections 2 and 4-8 of this article.]

Section 1 — General Qualifications. This club shall be composed of adult persons who demonstrate good character, integrity, and leadership; possess good reputation within their business, profession, and/or community; and are willing to serve in their community and/or around the world.

Section 2 — Kinds. This club shall have two kinds of membership, namely: active and honorary.

Section 3 — Active Membership. A person possessing the qualifications set forth in

article 5, section 2 of the RI constitution may be elected to active membership in this club.

Section 4 – *Satellite Club Membership.* Members of a satellite club shall also be members of the sponsor club until such time as the satellite club shall be admitted into membership of RI as a Rotary club.

Section 5 – *Dual Membership.* No person shall simultaneously hold active membership in this and another club other than a satellite of this club. No person shall simultaneously be a member and an honorary member in this club.

Section 6 – *Honorary Membership.*

- (a) *Eligibility for Honorary Membership.* Persons who have distinguished themselves by meritorious service in the furtherance of Rotary ideals and those persons considered friends of Rotary for their support of Rotary's cause may be elected to honorary membership in this club. The term of such membership shall be as determined by the board. Persons may hold honorary membership in more than one club.
- (b) *Rights and Privileges.* Honorary members shall be exempt from the payment of dues, shall have no vote, and shall not be eligible to hold any office in this club. Such members shall not hold classifications, but shall be entitled to attend all meetings and enjoy all the other privileges of this club. No honorary member of this club is entitled to any rights and privileges in any other club, except for the right to visit other clubs without being the guest of a Rotarian.

Section 7 – *Holders of Public Office.* Persons elected or appointed to public office for a specified time shall not be eligible to active membership in this club under the classification of such office. This restriction shall not apply to persons holding positions or offices in schools, colleges, or other institutions of learning or to persons who are elected or appointed to the judiciary. Members who are elected or appointed to public office for a specified period may continue as such members in their existing classifications during the period in which they hold such office.

Section 8 – *Rotary International Employment.* This club may retain in its membership any member employed by RI.

Article 11 Classifications

Section 1 – *General Provisions.*

- (a) *Principal Activity.* Each member shall be classified in accordance with the member's business, profession, or type of community service. The classification shall be that which describes the principal and recognized activity of the firm, company, or institution with which the member is connected or that which describes the member's principal and recognized business or professional activity or that which describes the nature of the member's community service activity.
- (b) *Correction or Adjustment.* If the circumstances warrant, the board may correct or adjust the classification of any member. Notice of a proposed correction or adjustment shall be provided to the member and the member shall be allowed a hearing thereon.

Section 2 – *Limitations.* This club shall not elect a person to active membership from a classification if the club already has five or more members from that clas-

sification, unless the club has more than 50 members, in which case, the club may elect a person to active membership in a classification so long as it will not result in the classification making up more than 10 percent of the club's active membership. Members who are retired shall not be included in the total number of members in a classification. The classification of a transferring or former member of a club, or a Rotaractor or Rotary alumnus as defined by the board of directors of RI, shall not preclude election to active membership even if the election results in club membership temporarily exceeding the above limitations. If a member changes classification, the club may continue the member's membership under the new classification notwithstanding these limitations.

Article 12 Attendance

[See article 7 for exceptions to the provisions of this article.]

Section 1 — *General Provisions.* Each member should attend this club's regular meetings, or satellite club's regular meetings if provided in the bylaws, and engage in this club's service projects, other events and activities. A member shall be counted as attending a regular meeting if the member is present in person or using an online connection for at least 60 percent of the meeting, or is present and is called away unexpectedly and subsequently produces evidence to the satisfaction of the board that such action was reasonable, or participates in the regular meeting posted on the club's website within one week following its posting, or makes up for an absence in any of the following ways:

- (a) *14 Days Before or After the Meeting.* If, within fourteen (14) days before or after the regular time for that meeting, the member
 - (1) attends at least 60 percent of the regular meeting of another club, of a satellite club meeting of another club, or of a provisional club; or
 - (2) attends a regular meeting of a Rotaract or Interact club, Rotary Community Corps, or Rotary Fellowship or of a provisional Rotaract or Interact club, Rotary Community Corps, or Rotary Fellowship; or
 - (3) attends a convention of RI, a council on legislation, an international assembly, a Rotary institute for past and present officers of RI, a Rotary institute for past, present, and incoming officers of RI, or any other meeting convened with the approval of the board of directors of RI or the president of RI acting on behalf of the board of directors of RI, a Rotary multizone conference, a meeting of a committee of RI, a Rotary district conference, a Rotary district training assembly, any district meeting held by direction of the board of directors of RI, any district committee meeting held by direction of the district governor, or a regularly announced intercity meeting of Rotary clubs; or
 - (4) is present at the usual time and place of a regular meeting or satellite club meeting of another club for the purpose of attending such meeting, but that club is not meeting at that time or place; or
 - (5) attends and participates in a club service project or a club-sponsored community event or meeting authorized by the board; or
 - (6) attends a board meeting or, if authorized by the board, a meeting of a service committee to which the member is assigned; or

- (7) participates through a club website in an interactive activity requiring an average of 30 minutes of participation.

When a member is outside the member’s country of residence for more than fourteen (14) days, the time restriction shall not be imposed so that the member may attend regular meetings or satellite club meetings in another country at any time during the travel period, and each such attendance shall count as a valid make-up for any regular meeting missed during the member’s time abroad.

- (b) *At the Time of the Meeting.* If, at the time of the meeting, the member is
 - (1) traveling with reasonable directness to or from one of the meetings specified in sub-subsection (a)(3) of this section; or
 - (2) serving as an officer or member of a committee of RI, or a trustee of The Rotary Foundation; or
 - (3) serving as the special representative of the district governor in the formation of a new club; or
 - (4) on Rotary business in the employ of RI; or
 - (5) directly and actively engaged in a district-sponsored or RI- or Rotary Foundation-sponsored service project in a remote area where making up attendance is impossible; or
 - (6) engaged in Rotary business duly authorized by the board which precludes attendance at the meeting.

Section 2 – *Extended Absence on Outposted Assignment.* If a member will be working on an outposted assignment for an extended period of time, attendance at the meetings of a designated club at the site of the assignment will replace attendance at the regular meetings of the member’s club, provided there is a mutual agreement between the two clubs.

- Section 3 – *Excused Absences.*** A member’s absence shall be excused if
- (a) the absence complies with the conditions and under circumstances approved by the board. The board may excuse a member’s absence for reasons which it considers to be good and sufficient. Such excused absences shall not extend for longer than twelve months. However, if the leave is for a medical reason or after the birth, the adoption, or foster care of a child that extends for more than twelve months such leave may be renewed by the board for a period of time beyond the original twelve months.
 - (b) the aggregate of the member’s years of age and years of membership in one or more clubs is 85 years or more, the member has been a member of one or more clubs for at least 20 years, and the member has notified the club secretary in writing of the member’s desire to be excused from attendance and the board has approved.

Section 4 – *RI Officers’ Absences.* A member’s absence shall be excused if the member is a current officer of RI or a Rotarian partner of a current officer of RI.

Section 5 – *Attendance Records.* When a member whose absences are excused under the provision of subsection 3(a) of this article fails to attend a club meeting, the member and the member’s absence shall not be included in the attendance records. In the event that a member whose absences are excused under the

provisions of subsection 3(b) or section 4 of this article attends a club meeting, the member and the member's attendance shall be included in the membership and attendance figures used to compute this club's attendance.

Article 13 Directors and Officers and Committees

Section 1 — *Governing Body*. The governing body of this club shall be the board constituted as the bylaws may provide.

Section 2 — *Authority*. The board shall have general control over all officers and committees and, for good cause, may declare any office vacant.

Section 3 — *Board Action Final*. The decision of the board in all club matters is final, subject only to an appeal to the club. However, as to a decision to terminate membership, a member, pursuant to article 15, section 6, may appeal to the club, request mediation, or request arbitration. If appealed, a decision of the board shall be reversed only by a two-thirds vote of the members present, at a regular meeting specified by the board, provided a quorum is present and notice of the appeal has been given by the secretary to each member at least five (5) days prior to the meeting. If an appeal is taken, the action taken by the club shall be final.

Section 4 — *Officers*. The club officers shall be a president, the immediate past president, a president-elect, a secretary, and a treasurer, and may include one or more vice-presidents, all of whom shall be members of the board. The club officers shall also include a sergeant-at-arms, who may be a member of the board as the bylaws shall provide. Club officers shall regularly attend satellite club meetings.

Section 5 — *Election of Officers*.

- (a) *Terms of Officers other than President*. Each officer shall be elected as provided in the bylaws. Except for the president, each officer shall take office on 1 July immediately following election and shall serve for the term of office or until a successor has been duly elected and qualified.
- (b) *Term of President*. The president shall be elected as provided in the bylaws, not more than two (2) years but not less than eighteen (18) months prior to the day of taking office and shall serve as president-nominee upon election. The nominee shall take the title of president-elect on 1 July in the year prior to taking office as president. The president shall take office on 1 July and shall serve a period of one (1) year or until a successor has been duly elected and qualified.
- (c) *Qualifications*. Each officer and director shall be a member in good standing of this club. A candidate for the office of president shall have served as a member of this club for at least one year prior to being nominated for such office, except where service for less than a full year may be determined by the district governor to satisfy the intent of this requirement. The president-elect shall attend the district presidents-elect training seminar and the district training assembly unless excused by the governor-elect. If so excused, the president-elect shall send a designated club representative who shall report back to the president-elect. If the president-elect does not attend the presidents-elect training seminar and the district training assembly and has not been excused by the governor-elect or, if so excused, does not send a designated club representative to such meetings, the president-elect shall not be able to serve as club president. In such event, the current president shall con-

tinue to serve until a successor who has attended a presidents-elect training seminar and district training assembly or training deemed sufficient by the governor-elect has been duly elected.

Section 6 — *Governance of a Satellite Club of This Club (When Applicable)*. A satellite club shall be located in the same locality as this club or in the surrounding area.

- (a) *Satellite Club Oversight*. This club shall provide such general oversight and support of a satellite club as is deemed appropriate by the board.
- (b) *Satellite Club Board*. For the day-to-day governance of a satellite club, it shall have its own annually elected board drawn from its members and comprising the officers of the satellite club and four to six other members as the bylaws shall provide. The highest officer of the satellite club shall be the chair and other officers shall be the immediate past chair, the chair-elect, the secretary and the treasurer. The satellite board shall be responsible for the day-to-day organization and management of the satellite club and its activities in accordance with Rotary rules, requirements, policies, aims and objectives under the guidance of this club. It shall have no authority within, or over, this club.
- (c) *Satellite Club Reporting Procedure*. A satellite club shall, annually, submit to the president and board of this club a report on its membership, its activities and programs, accompanied by a financial statement and audited accounts, for inclusion in this club's reports for its annual general meeting and such other reports as may, from time to time, be required by this club.

Section 7 — *Committees*. This club should have the following committees:

Section 1 — *Period*. Membership shall continue during the existence of this club unless terminated as hereinafter provided.

Section 2 — *Automatic Termination*.

- (a) *Membership Qualifications*. Membership shall automatically terminate when a member no longer meets the membership qualifications, except that
 - (1) the board may grant a member moving from the locality of this club or the surrounding area a special leave of absence not to exceed one (1) year to enable the member to visit and become known to a Rotary club in the new community if the member continues to meet all conditions of club membership;
 - (2) the board may allow a member moving from the locality of this club or

the surrounding area to retain membership if the member continues to meet all conditions of club membership.

- (b) *How to Rejoin.* When the membership of a member has terminated as provided in subsection (a) of this section, such person, provided such person's membership was in good standing at the time of termination, may make new application for membership, under the same or another classification.
- (c) *Termination of Honorary Membership.* Honorary membership shall automatically terminate at the end of the term for such membership as determined by the board. However, the board may extend an honorary membership for an additional period. The board may revoke an honorary membership at any time.

Section 3 – Termination Non-payment of Dues.

- (a) *Process.* Any member failing to pay dues within thirty (30) days after the prescribed time shall be notified in writing by the secretary at the member's last known address. If the dues are not paid on or before ten (10) days of the date of notification, membership may terminate, subject to the discretion of the board.
- (b) *Reinstatement.* The board may reinstate the former member to membership upon the former member's petition and payment of all indebtedness to this club. However, no former member may be reinstated to active membership if the former member's classification is in conflict with article 11, section 2.

Section 4 – Termination Non-attendance.

[See article 7 for exceptions to the provisions of this section.]

- (a) *Attendance Percentages.* A member must
 - (1) attend or make up at least 50 percent of club regular meetings or satellite club meetings, or engage in club projects, other events and activities for at least 12 hours in each half of the year, or a proportionate combination of both;
 - (2) attend at least 30 percent of this club's regular meetings or satellite club meetings, or engage in club projects, other events and activities in each half of the year (assistant governors, as defined by the board of directors of RI, shall be excused from this requirement).

If a member fails to attend as required, the member's membership may be subject to termination unless the board consents to such non-attendance for good cause.

- (b) *Consecutive Absences.* Unless otherwise excused by the board for good and sufficient reason or pursuant to article 12, sections 3 or 4, each member who fails to attend or make up four consecutive regular meetings shall be informed by the board that the member's non-attendance may be considered a request to terminate membership in this club. Thereafter, the board, by a majority vote, may terminate the member's membership.

Section 5 – Termination Other Causes.

- (a) *Good Cause.* The board may terminate the membership of any member who ceases to have the qualifications for membership in this club or for any good cause by a vote of not less than two-thirds of the board members present and

voting, at a meeting called for that purpose. The guiding principles for this meeting shall be article 10, section 1; The Four-Way Test; and the high ethical standards that one should hold as a Rotary club member.

- (b) *Notice.* Prior to taking any action under subsection (a) of this section, the member shall be given at least ten (10) days' written notice of such pending action and an opportunity to submit a written answer to the board. The member shall have the right to appear before the board to state the member's case. Notice shall be by personal delivery or by registered letter to the member's last known address.
- (c) *Filling Classification.* When the board has terminated the membership of a member as provided for in this section, this club shall not elect a new member under the former member's classification until the time for hearing any appeal has expired and the decision of this club or of the arbitrators has been announced. However, this provision shall not apply if, by election of a new member, the number of members under the said classification would remain within provided limitations even if the board's decision regarding termination is reversed.

Section 6 – *Right to Appeal, Mediate or Arbitrate Termination.*

- (a) *Notice.* Within seven (7) days after the date of the board's decision to terminate or suspend membership, the secretary shall give written notice of the decision to the member. - (f) *Unsuccessful Mediation.* If mediation is requested but is unsuccessful, the member may appeal to the club or arbitrate as provided in subsection (a) of this section.

Section 7 – *Board Action Final.* Board action shall be final if no appeal to this club is taken and no arbitration is requested.

Section 8 – *Resignation.* The resignation of any member from this club shall be in writing, addressed to the president or secretary. The resignation shall be accepted by the board if the member has no indebtedness to this club.

Section 9 – *Forfeiture of Property Interest.* Any person whose club membership has been terminated in any manner shall forfeit all interest in any funds or

other property belonging to this club if, under local laws, the member may have acquired any right to them upon joining the club.

Section 10 — *Temporary Suspension*. Notwithstanding any provision of this constitution, if in the opinion of the board

- (a) credible accusations have been made that a member has refused or neglected to comply with this constitution, or has been guilty of conduct unbecoming a member or prejudicial to the interests of the club; and
- (b) those accusations, if proved, constitute good cause for terminating the membership of the member; and
- (c) it is desirable that no action should be taken in respect of the membership of the member pending the outcome of a matter or an event that the board considers should properly occur before such action is taken by the board; and
- (d) that in the best interests of the club and without any vote being taken as to his or her membership, the member's membership should be temporarily suspended and the member should be excluded from attendance at meetings and other activities of this club and from any office or position the member holds within the club;

the board may, by a vote of not less than two-thirds of the board, temporarily suspend the member as aforesaid for a reasonable period of time not to exceed 90 days and on such further conditions as the board determines. A suspended member may appeal or refer to mediation or arbitration the suspension as provided in article 15, section 6. During the suspension, the member shall be excused from fulfilling attendance responsibilities. Prior to the expiration of the suspension period, the board must either proceed to terminate the membership of the suspended Rotarian or reinstate the suspended Rotarian to full regular status.

Article 16 Community, National, and International Affairs

The merits of any public question involving the general welfare of the community, the nation, and the world are of concern to the members of this club and shall be proper subjects of fair and informed study and discussion at a club meeting for the enlightenment of its members in forming their individual opinions. Two Rotarians residing at the same address have the option to subscribe jointly to the official magazine or the Rotary magazine approved and prescribed by the board for their club or clubs. The subscription shall be paid on such dates as established by the board for the payment of per capita dues for the duration of membership in this club.

Section 2 — *Subscription Collection.* The subscription shall be collected by this club from each member in advance and remitted to the Secretariat of RI or to the office of such regional publications as may be determined by the board of directors of RI.

BYLAWS OF THE ROTARY CLUB OF

Club bylaws supplement the Standard Rotary Club Constitution and establish common club practices. The bylaws in this document are recommendations. Customize them to reflect your club's practices, and confirm that they are not in conflict with the RI Constitution and Bylaws, the Standard Rotary Club Constitution (except where permitted), and the Rotary Code of Policies. Articles that your club is required to include are noted below.

Article 1 Definitions

1. Board: The club's board of directors.
2. Director: A member of the club's board of directors.
3. Member: A member of the club, other than an honorary member.
4. Quorum: The minimum number of participants who must be present when a vote is taken: one-third of the club's members for club decisions and a majority of the directors for club board decisions.
5. RI: Rotary International.
6. Year: The 12-month period that begins on 1 July.

Your club may choose how it defines a quorum for voting purposes.

Article 2 Board

The governing body of this club is its board of directors, consisting of, at a minimum, the president, immediate past president, president-elect, secretary, and treasurer.

The Standard Rotary Club Constitution requires a club's bylaws to include article 2. The officers listed above are required to be members of the club board. Your club's board may have additional members, such as the vice president, the president-nominee, sergeant-at-arms, or other directors. If your club has satellite clubs, list their club board members in this article, also.

Article 3 Elections and Terms of Office

Section 1 — One month before elections, members nominate candidates for president, vice president, secretary, treasurer, and any open director positions. The nominations may be presented by a nominating committee, by members from the floor, or both.

Section 2 — The candidate who receives a majority of the votes for each office is declared elected to that office.

Section 3 — If any officer or board member vacates his or her position, the remaining members of the board will appoint a replacement.

Section 4 — If any officer-elect or director-elect vacates a position, the remaining members of the board-elect will appoint a replacement.

Section 5 — The terms of office for each role are:

President — one year

Vice President — _____

Director — _____
Treasurer — _____
Secretary — _____
Sergeant-at-arms — _____

The Standard Rotary Club Constitution requires that your club's bylaws specify an election process. If a nominating committee is used, include details of how it is appointed. The term of office for a club president is specified as one year in the Standard Rotary Club Constitution.

Article 4 Duties of the Officers

Section 1 — The president presides at club and board meetings.

Section 2 — The immediate past president serves as a director on the club board.

Section 3 — The president-elect prepares for his or her year in office and serves as a director.

Section 4 — The vice president presides at club and board meetings when the president is absent.

Section 5 — A director attends club and board meetings.

Section 6 — The secretary keeps membership and attendance records.

Section 2.1 — *Members.* The corporation shall have one class of members, which class shall consist of one member, designated as the “corporate member.” The initial corporate member shall be Rotary International, an Illinois not-for-profit corporation, or any successor thereto resulting by merger, consolidation, or change of name. If a vacancy shall exist in the position of corporate member for any reason, the trustees of the corporation shall elect a new corporate member.

 - (v) To select and employ suitable agents and attorneys, including the employment of investment managers to whom may be delegated such powers in managing and investing the funds of the corporation as the trustees may deem advisable, and as the laws of the jurisdiction may permit, and to pay their reasonable compensation and expenses;
 - (vi) To adopt budgets and appropriate funds for programs, projects and activities of the Foundation; and
 - (vii) To pay all necessary expenses of administering the Foundation, including the expenses of the trustees, out of the funds of the Foundation, unless they be otherwise provided by the directors of the corporate member;

If such amendments or resolutions are proposed by other parties, the trustees and the directors of the corporate member shall jointly consider such amendments prior to their consideration by a council on legislation of the corporate member;
- (j) To adopt and amend additional rules and regulations for the administration of the Foundation as in their opinion may be necessary or advisable, provided such rules and regulations shall not be contrary to the constitution and bylaws of the corporate member or to the articles of incorporation of the Foundation and to these bylaws.

Section 3.2 — *Number, Appointment, and Term.* The number of trustees shall be fifteen (15), each nominated by the president-elect of the corporate member and elected by the board of the corporate member in the year prior to taking office. Four (4) of the trustees shall be past presidents of the corporate member. The terms of trustees shall be four (4) years. Section 3.4 — Resignation. Any trustee may resign verbally at a trustee meeting or by letter addressed to the corporation's general secretary, and such trustee's resignation shall take effect when indicated and without formal acceptance.

Section 3.5 — Removal. Any trustee who fails to satisfy the qualifications set forth in section 3.3 of this article shall forfeit the office of trustee at the time of such failure, and no further action by the directors of the corporate member or the remaining trustees shall be necessary to effect such forfeiture. A trustee whose office is forfeited pursuant to this action shall be replaced in accordance with section 3.6 of this article. If a trustee becomes disabled, to the extent such trustee is unable to discharge adequately the duties of the office, as determined by the trustees and the corporate member, such trustee shall forfeit the office upon such determination, and be replaced as provided in section 3.6 of this article. For good and sufficient cause, and upon notice to all the trustees and the trustee concerned (who shall be given an opportunity to be heard), a trustee may be removed by the three-fourths vote of the directors of the corporate member. Such removal shall be effective upon ratification of the directors' action by majority vote at the next scheduled convention of the corporate member.

Section 3.6 — Vacancies. Any vacancy among the trustees caused by death, resignation, failure of qualification, disability, or removal may be filled for the balance of the term by the corporate member in accordance with the procedures specified in section 3.2 of this article. Successor trustees shall have all powers and discretions and shall be charged with duties identical to those conferred upon the original trustees.

Section 3.7 — Chairman. The trustees shall annually elect one of the trustees as chairman-elect for the following year. The chairman-elect shall serve as chairman in the year following his or her year as chairman-elect.

Attendance of a trustee at a meeting constitutes waiver of notice except where the trustee attends for the express purpose of objecting to the transaction of business because the meeting is not lawfully called or convened.

Section 4.4 — *Quorum and Manner of Acting.* A majority of the trustees then qualified and acting shall constitute a quorum for the transaction of business at any trustees' meeting, and any matter requiring action by the trustees may be decided by a majority vote of the trustees present, unless otherwise provided by statute or in these bylaws. In the absence of a quorum, a majority of the trustees present may, without further notice, adjourn the meeting until such time as a quorum is present. No notice of any adjourned meeting need be given.

Section 4.5 — *Informal Action.* Any action which may be taken at the meeting of the trustees may be taken without a meeting if a consent in writing, setting forth the action so taken, shall be signed by all of the trustees entitled to vote on the matter. The general secretary shall have authority to send out ballots-by-mail when the subject matter comes under existing policies. When the subject matter relates to other than existing policies, the chairman of the trustees shall have authority to determine whether the matter shall be handled in a ballot-by-mail or held over until the next meeting of the trustees.

Section 4.6 — *Telephonic Meetings.* Trustees may participate in and act at any meeting of the trustees through the use of a conference telephone or other communications equipment by means of which all persons participating in the meeting can communicate with each other. Participation in such a meeting shall constitute attendance and presence in person at the meeting of the person or persons so participating.

Section 4.7 — *Presiding Officer.* The chairman of the trustees will preside at all meetings of the trustees. In the absence of the chairman, the chairman-elect, or the vice-chairman, the trustees will select a chairman *pro tem* from among their number.

The chairman-elect shall not be eligible for election as vice-chairman. The term of office of the chairman-elect and vice-chairman shall begin on 1 July following election. The trustee elected as chairman-elect shall serve for a term of one year, following which he or she shall serve for a term of one year as chairman. The trustee elected as vice-chairman shall serve for a term of one year. The general secretary shall be elected by the directors of the corporate member, and shall be the same

The chairman, chairman-elect, and vice-chairman shall serve without compensation. The compensation of the general secretary shall be fixed by the corporate member.

The chairman may act in emergency matters for the trustees when the trustees or their executive committee is not in session or cannot be easily called into session, so long as such action is in harmony with the constitution and bylaws of the corporate member and the articles of incorporation of the Foundation and these bylaws. Any emergency action taken pursuant to this section must be reported to the trustees within 10 days of any such action.

Section 5.7 — *Chairman-elect.* The chairman-elect shall:

- (a) plan and prepare for the following year's term as trustee chairman;
- (b) perform such other duties as assigned by the chairman or trustees.

Section 5.8 — *Vice-Chairman.* The vice-chairman shall act on behalf of the chairman between or during meetings of the trustees when delegated by the chairman to do so or when for any reason the chairman is unable to act, and shall perform such other duties assigned by the chairman or trustees.

Section 5.9 — *General Secretary.* The general secretary shall be the chief operating officer of the corporation, subject to the direction of the trustees and the chairman and responsible for the implementation of the trustees' policies and for general management and administration of the corporation.

Section 5.10 — *Other Duties.* In addition to the foregoing enumerated duties and powers, the several officers of the corporation shall perform such other duties

and exercise such other powers in accord with these bylaws, as the trustees may from time to time delegate or determine, or as may be assigned to them by the chairman or any other superior officer. Any officer acting on behalf of the trustees shall report such action to the trustees at their next scheduled meeting.

Article VI Committees

Section 6.1 — *Number and Term.* The trustees of the corporation shall establish committees, and prescribe the duties and authority of such committees, as they from time to time may determine is in the best interests of the corporation.
