

District 7390 Rotary Foundation Global Grant Scholars

The District 7390 Rotary Foundation Global Grant Scholarship Committee plans to submit one (1) Global Grant Scholarship for an individual who is pursuing Graduate studies abroad and a career in one of the six areas of focus of the Rotary Foundation:

Peace and Conflict Prevention/Resolution

Disease Prevention and Treatment

Water and Sanitation

Maternal and Child Health

Basic Education and Literacy

Economic and Community Development

Special eligibility requirements and conditions include:

- The candidate must be proficient in the native language of the host country
- The candidate's program of study must be at the graduate-level
- The candidate must live in or attend college in District 7390.
- The scholar must be travelling abroad for study
- The scholarship is a term of one year, although candidates may re-apply for multi-year programs
- The minimum grant amount is US\$30,000
- Scholars need to live in their Rotary host District
- Global grants follow a two step application process: A proposal followed by an application. The candidate must be admitted to his/her study program by the time of the application, but not at the time of the proposal.
- At the time of the proposal the candidate must know where he/she wants to study and the sponsors must identify the name of a primary contact in the host District
- Scholarships may not be used for expenses already incurred

For Global Grant Scholars the primary consideration is forging a link between Rotary and future skilled professions within an area of focus. That said, Global Grant Scholars are expected to participate in Rotary activities, and their Rotarian sponsors should provide opportunities for them to do so.

The candidate should be someone who:

- Possesses excellent leadership skills and potential
- Has a proven record of success in his/her academic field or vocation
- Has demonstrated a personal commitment to community service
- Has well defined and realistic goals
- Has concrete ideas as to how he/she will make advances in his/her chosen career field
- Is sincere about maintaining a lifelong relationship with Rotary after the scholarship period
