Four-Way Test Essay Contest 2018-19

Essay Submission Deadline: February 18, 2019

2018-19 ESSAY PROMPT

How Rotary's Four Way Test helps me confront or deal with the issue of failure?

All student essays should be written about this topic. We felt this topic was particularly appropriate as recent studies are showing that the younger generation is experiencing spikes in anxiety and depression stemming from difficulty in handling adverse situations. We are hoping the Four-Way Test can be a resource for students as they confront these issues in the coming years. We are also planning to change the essay prompt on a yearly or bi-yearly basis to keep the contest fresh and relevant to students.

WHAT ARE WE LOOKING FOR?

The Following is some important background on the Four Way Test. The source for this information is "The Story of the Four-Way Test" By Herbert J. Taylor (the full text can be found at <https://www.rotary5630.org/history-of-the-four-way-test/>). We encourage you to go to this web site and read the full story in Mr. Taylor's words.

The origins of the Four Way Test date back to 1932 when creditors of a near bankrupt aluminum company assigned the author of the Four Way Test, Herbert Taylor, to save it from further financial ruin. Competition in the aluminum industry was fierce. Mr. Taylor was looking for a way to distinguish his new company from the others, while at the same time achieving financial prosperity. Mr. Taylor decided that ethics and doing what was right would be the key to the turnaround and he penned these four simple questions that would guide him in his task:

- Is it the truth?
- Is it fair to all concerned?
- Will it build good will and better friendships?
- Will it be beneficial to all concerned?

Mr. Taylor applied this test to every aspect of the way the company conducted business and his company ended up thriving, not only paying off all of its debts, but also paying dividends to its shareholders. From the depths of failure came an ethical test that is still applied over 85 years later.

Write an essay about your personal experiences and attitudes toward failure – whether it be an actual failure or perhaps a fear of failure that stops you from pursuing a goal or dream, how might Rotary's Four Way Test help you confront or deal with the issue of failure?

HISTORY

The Four-Way Test Essay contest in District 7390 was initiated in 2006-07 by the Rotary Club of Mechanicsburg-North in the 9th grade at Cumberland Valley High School. The winner of their 2007-08 contest presented her essay at the District Conference and was well received.

The 2008-09 District Governor challenged other Clubs to have contests in their local schools and agreed that if multiple Clubs did have contests, he would have their winners vie for District honors and prizes. While only 3 clubs participated in 2009, the number has gradually increased each year. The first place winner presents their essay at the District Conference.
