

The Rotary Club of Hummelstown invites you to join us for:

Polio mainly affects children under the age of 5. There is no cure, but polio is preventable with a vaccine.

Rotary has helped reduce cases worldwide by 99.9 percent since 1989.

Pints for Polio at RubberSoul

October 23-27, 2023

**\$1 from the two marked beers will go to help to eradicate polio
Every dollar donated will be matched 2-1 by the Gates Foundation**

**END
POLIO
NOW**

Your donation helps Rotary and our partners reach every child in the world with the polio vaccine.
